Dear SMACNA Member:

I would like to thank you for your participation in the 2020 SMACNA Safety Excellence Awards Program (SSEAP). The SSEAP benefits all SMACNA members by providing critical safety information that can be used to trend safety issues in the sheet metal and HVAC industry.

We continue to have excellent participation in this program and without your involvement; the program would not be the success that it is.

In recognition of your contribution, please accept this certificate of appreciation with SMACNA's sincere thanks for participating in the 2020 SMACNA Safety Excellence Awards Program.

If you have any questions regarding this program, please feel free to call me at (703) 995-4027 or send an email to [mmccullion@smacna.org](mailto:mmccullion@smacna.org).

Sincerely,
